Overall dimensions 12.2" x 11.1" x 10.3" (W x D x H)
– Printer
17.5" x 15.5" x 16.8" (W x D x H) – Shipping
Weight (Approx.) 26 lbs (12.2 kg) – Printer (without
ink)
Warranty One year depot repair

What's in the box

- ColorWorks C3500
- AC power adapter with line cord
- Full capacity Ink cartridges
- Sample label roll
- Media output tray
- Instruction sheet
- CD with utilities and manuals

- Compact, robust design for commercial use
- High print speed of up to 4 inches/second
- High-quality, four-color inkjet printing (CMYK)
- Individual ink cartridges for efficient use of ink
- Supports all major label applications
- Meets BS5609 certification

Color labels are the new standard.

Today there is a growing demand for the use of color labels that feature color codes, photos and pictograms to highlight relevant information. This trend sharply drives up the number of label variations and increases label production complexity. Epson's ColorWorks C3500's ability to produce full color labels on demand makes it the ideal solution.

Epson's compact, four-color C3500 inkjet printer features fast printing speeds up to 4 inches/second, a banding reduction mode and a nozzle check system that produces a reliable output of high volume labels with excellent image quality. In addition, it offers multiple easy-to-use features such as an autocutter, easy paper loading and an LCD with printer status readouts.

With the C3500 you can print on a wide range of media including paper, synthetic, matte and gloss stock. It handles roll-fed or fanfold, die cut or continuous label media.

Designed for commercial environments the ColorWorks C831 is built to last.
