

With a compact footprint and 8 hours of power, you can say “so long” to extension cords

The PowerPack Ultra Portable Power System provides quiet, seamless AC power for 8 hours at a time. This lightweight, compact unit is ideal for powering a laptop and barcode printer. At the end of use, simply plug the unit into a standard wall outlet to recharge. Eliminate the need for hazardous extension cords.

Outstanding features

- › Compact footprint
- › Highly portable and lightweight
- › Integrated power outlets
- › USB charge port
- › Visual and audible low voltage alert
- › Easy grip side handles
- › Integrated cord reel holder
- › Bluetooth user interface app (LiFePO4)

Typical applications

- › Non-powered equipment carts in warehouse or retail floor
- › Remote display areas
- › Areas where power is not available such as far corners of the warehouse, loading dock, remote storage areas and much more

Newcastle PowerPack Ultra Series

Portable Power System

POWERPACK ULTRA SLA & LITHIUM

Lightweight and compact, PowerPack Ultra is the stand-alone solution for smaller equipment setups.
